

# Come be set free

**Hesitant to talk to someone about a past abortion experience?**

Think you could never be forgiven?

**You are not alone.**

## Post-Abortion Healing Bible Study

March 2 - May 11 • 7-9 pm

**1 in 3 women** will experience an abortion by age 45, based on current rates. Many live in shame and do not seek healing due to fear of rejection. Don't live with the grief and guilt caused by the loss of a child to an abortion.

Whether it has been a few days or many years, **the time to be set free is now. Call today.**

**" I just want to thank you for what you did for me. I can hardly believe how differently I feel... Thanks so much for helping me along my healing path."**
